

OLYMPIAPARC

The olympiaparc was build for the olympic summer games 1972 in munich. After the games, it still continued to serve as venue for cultural, social and religious events. Until the construction of the Allianz Arena for the 2006 World Cup, the stadium was home to Bayern Munich and TSV 1860 Munich.

It cost 1,35 DM (Deutsche Mark) and strongly influenced the growth of munich.
